VOLUNTEER WITH LOCHABER PRIDE

LGBTQIA+ people and allies welcome

WHY IT MATTERS

Pride is more than one day.

In rural communities, being seen, welcomed and connected can mean the world. Volunteers help make those moments possible.

YOUR IMPACT

Help people feel they belong.

Support events that bring us together.

Make LGBTQIA+ lives more visible.

Help shape what comes next.

WHAT YOU GAIN

Meet people. Make friends.
Build confidence. Have fun.

EXPERIENCE THAT COUNTS

Develop skills in teamwork, events, communication and leadership. Try something new, share your ideas and feel proud of what you helped to create.

You bring your own strengths.
We help you put them to use.

WHAT TO EXPECT

A welcoming introduction to Lochaber Pride and your role.

A conversation about how much time you feel comfortable giving.

A chance to discuss accessibility needs and reasonable adjustments.

Someone you can contact with questions or concerns.

Relevant guidance, training and safeguarding checks where required.

There is a place for you.
Find yours with Lochaber Pride.
